#### **EVENT DESCRIPTION:**

QUIDO is a competition in which you must think, decide, and solve problems faster than your competitors. Fastest mind with the right solution will win the competition.

- The team will have to complete the whole game in a **25 minutes** time frame.
- The game **begins** when you get **6** on the **dice**, only then the player is allowed to enter the room.
- Your technical knowledge will be put to the test. Complete the challenge to advance.
- If the team is successful in reaching the last room, a hint will be given through which the players can escape the room and can win the game.

## GENERAL RULES:

The event will have limited entries.

1. The competition will be held in a single round consisting of a number of **Themed rooms**.
2. Each team will be given **25 minutes** to complete and escape the game.
3. Only one of the two players is permitted to enter a room and solve the tasks at a time.
4. To start the game, Player 1 has to bring a 6 on the dice.
5. The team has to select **one player** to **complete** the **task** of a particular room and after completion, the players of that team are allowed to **swap** the positions **before** the **next room**.
6. For the final task, both the players of the team are allowed to enter the room.
7. The rooms would be based on multiple tasks, puzzles, and brain-twisters where the participant needs to solve them using technical knowledge or reference.
8. The team may **gain bonus points** in one of the rooms based on their **performance**, the conditions of which will be revealed before the game's start.
9. A **hint** would be provided in the game to **solve** the **final task** to complete the game.
10. **Exchanging hints** or any sort of material prop is strictly **not allowed**.
11. The players are **not allowed** to bring in any sort of **digital device** {Eg: Mobile Phones, Calculators, Smart Wearables}.
12. Based on the **time taken** to complete the whole game, the top 2 participants will be selected and declared as the winner and the runner-up.
13. In case of a tie between two or more teams, the teams will be evaluated based on the bonus points earned during the game and the winner would be declared.
14. Decision of the Judges and the coordinators will be considered as final and will not be changed under any circumstances.
15. All the participants present will get the **CERTIFICATE OF PARTICIPATION**.

## REGULATIONS:

1. Each team can have a maximum of 2 members only.
2. No member can be a part of more than one team. Violation of this rule will lead to **disqualification** of both teams.
3. All the members should be present during the competition.
4. The teams must report at least 30 minutes prior to the commencement of the event.
5. Each Participant will be asked to present their **College IDs** before the commencement of each round.
6. In case of any genuine issue, kindly intimate MESA team members and officials.
7. The **points** will be **reduced** as a **penalty** for the teams which are overcoming **disciplinary rules**.
8. Concerning the code of conduct, each team is supposed to keep decent and helpful conduct towards other participating teams and any kind of misbehavior of any team will result in a penalty.
9. All teams must abide by the COVID-19 norms at all times and failing to do so may lead to disqualification.

All the **participants** must **wear a mask** and maintain social distancing at all times.

It is considered that the participating teams have read and agreed to all the Rules and Regulation and should not take any objection during the competition.
