EVENT DESCRIPTION:
CADDICT is an event where students can show their CAD modelling skills and compete with each other to win the competition by making the most practical and reliable model on the CAD software.

GENERAL RULES:
- The event will have **limited entries**.

- The competition will have **TWO** rounds.

- Participant has to design a 3-D model of given object, idea or problem statement.

- Problem Statement will be given **on the spot**.

- **Autodesk Inventor** is the only software allowed.

- All the participants present will get the **CERTIFICATE OF PARTICIPATION.**

Round 1
1. In this round, participants will have to make a 3D model of the object / idea / problem statement provided to them at the Venue on the day of the Competition.
2. The 3D model of the given object will have to be made in the given time limit.
3. Based on performance in Round One, **top 50% participants** will get qualified for **Round Two.**

Round 2
1. In this round, qualified participants from round 1 will have to make a 3D model based on the problem statement / object / idea provided to them at the venue by using their imagination to make the most practical model.
2. Participants will have to carefully read the Problem Statement and make an appropriate 3D model.
3. Based on performance in **Round Two,** judges will be selecting Top 2 winners.

REGULATIONS:
1. All the registered members must remain present during the day of competition and only the present members will get the certificate.

2. The participants must be present at the given venue **at least 30 minutes** before the mentioned time.

3. Each Participant will be asked to present their **College IDs** before the commencement of each round.

4. **Participants will have to save their work periodically in order to avoid loss of data. Organizers shall not be held responsible for any loss of data.**

5. In case of any genuine issue, kindly intimate MESA team members or officials.

6. According to the code of conduct, each participant is supposed to keep a decent and helpful conduct towards others and **any kind of misbehavior of anyone will result in disqualification**. Any kind of Malpractice or Suspicious Behavior will result in **DISQUALIFICATION.**

7. Decision of the judges and the coordinators will be considered as final and binding and will not be changed under any circumstances.

8. It is considered that the participating candidates have agreed upon all the terms and conditions and should not take any objection during the competition.

9. All participants should wear a mask all the time and follow all the prescribed rules of social distancing.

10. **Kindly use the Lab Hardware with proper care any damage caused will be the responsibility of the participant**, organizers shall not be held responsible for the same.
